 1 Logo Design + 1 Animation Video Describe Business: i want to build a online social community for steeltip dart players. Main Text: dartbuddies.online Font Preference: simple, friendly, tough. defenitly not posch, not formal, not italic, not old fashioned Color Scheme: What fits a steeltip dartbord: Red, black, green, Sisal Design Idea: The logo must be simple and be related to the sport of steeltipdarts. It has to be simple and related to steeltip darts. Reference Image Additional Info: I added a logo i really like. So i wont mind if its a lot like this one, biut i am open for surprises. I really like it but it needs to be more professional/ smooth. It is to "flat", maybe more 3d / bevel / shadow. I like the 3-d box effect and the use of the letters inside. Maybe the letters inside the logo can be in de name? animation: Because darts fly to a board, i'd like something with that kind of movement if possible. Or maybe a dart in the loge that flows in the logo. I like thing simple. E-mail: sander@gewoonsander.nl	\$137.00 USD	1	\$137.00 USD
