1. GENERAL

- 1.01 The Playing Rules and Format for the WDF World Cup listed below are a set of rules created especially for the WDF World Cup. These rules are not comprehensive and must, at all times, be read in conjunction with the WDF Playing and Tournament Rules, the WDF World Ranking Systems Criteria – Adults and Bye-Laws.
- 1.02 The proposed official tournament invitation shall be submitted to the WDF Executive by the WDF Tournament Director four (4) months before the scheduled date of the WDF World Cup. On approval by the WDF, the WDF Tournament Director shall circulate the invitation and documents to all WDF members. The documents will also be placed in the Members Login area of the WDF website.
- 1.03 The closing date for entries will be shown on the entry form and must be strictly adhered to. All entry forms, player biographies, and accommodation reservations must be in the hands of the host organisers and the WDF Tournament Director by the specified closing date.
- 1.04 The WDF Executive will make all decisions and retain complete responsibility for all aspects of the WDF World Cup.

2. PLAYERS

- 2.01 All players must be eligible to play for their country and shall be selected by the respective Full Member Darts Body for that country, by any such method that they themselves determine.
- 2.02 All selected players must comply with the WDF Eligibility Rule (see WDF Bye-Law 7.05).
- 2.03 It is the responsibility of the officials of the player's respective WDF Member Darts Body to check and properly verify that all players entered for the WDF World Cup fully comply with the WDF Eligibility Rule.
- 2.04 In cases where teams require Visas to enter the host country, written proof that visas have been obtained will be required before teams can be entered into the draw. Written confirmation must be sent to the WDF Tournament Director by email at least fourteen (14) days before the start of the tournament.

Countries that do not supply the required documentation, will not be entered into the draw. The WDF will not accept any responsibility or liability for any costs incurred for teams which are not included in the draw because they have failed to obtain the necessary visas within the stipulated time.

- 2.05 As the Adult and Youth WDF World Cup tournaments are played concurrently, Youth players selected to play in the Adult WDF World Cup are not permitted to be selected for or take part in the WDF World Cup Youth in the same year. This includes substitutions during match-play and replacements due to absenteeism.

It is the Team Managers' collective responsibility to verify that the correct players and correct throwing order are agreed prior to starting the match in question.

9.04 If it is discovered that a player has thrown out of order the leg shall be stopped immediately and replayed using the correct throwing order. The player(s) concerned shall receive a warning.

- 15.03 Should leg difference be equal, the result of the match played between the two tied teams will be used to determine the higher placed team
